Waterloo Disc Golf Club was created to promote the sport of disc golf to the general public through organization and education, and to give disc golfers a voice in general community issues which impact the sport. The club is also dedicated to the giving back to the community through charitable contributions of our members' time, talents, and treasures.

Some of the items your dues will go towards are: course improvements, basic supplies and equipment for the club, sponsorship of tournaments, and charitable events. In the last seven years, Waterloo Disc Golf Club has spent more than \$26,000 on course improvements here in Austin, and has given more than \$21,000 worth of sponsorship to various Central Texas tournaments. We have also raised over \$75,000 for the Ronald McDonald House, \$1,500 for Austin Parks Foundation, \$3,000 for EDGE (Educational Disc Golf Experience), \$400 for Lance Armstrong Foundation, \$1,400 for Down's Syndrome Association of Central Texas, and \$6,800 for Capital Area Food Bank during the last twelve years. We plan on continuing to support these kinds of things.
